

# Flagstaff Church of Religious Science

**YES . . .**

**I Want to Be a Member**

I desire to become a member of the Flagstaff Church of Religious Science. By doing so I offer my service to the congregation and the spiritual community as a church that “Empowers All by Consciously Celebrating Spirit.” By becoming a member, I affirm and commit to participate in its programs and activities. I also lend my energies to its growth and by contributing financially through my consistent, loving and joyful giving.
